Red Cross Drive Underway

by William Hunter
Chapter Chairman

The Appomattox County Chapter of the American Red Cross is making an all out appeal for funds during the last two weeks of its regular March Fund Campaign.

The fund goal for 1971 is $2,-000.00.

The local chapter and the National Chapter are greatly in need of funds due to heavy expenses during the past year caused by many major disasters such as hurricanes, tornados, earthquakes and tidal waves.

One half of the funds collected by the local chapter is remitted to the National Chapter for disaster relief and the many other services conducted by the National Chapter, while the other half is retained by the local chapter to be used in the county. The Red Cross Blood Program is the major expense of the local chapter, using approximately $500.00 each year to keep Appomattox Conty in this important program. Aid to servicemen and their families is the next major expense of the local chapter. The local chapter is now operating with a deficit and chairman Hunter urges all citizens to give generously to the volunteers who solicit your funds, so that we can continue to offer Red Cross Services in the county.

Mrs. Virginna G. Doss and Rev. R. Q. Lawing are helping to head the local fund drive. A list of area leaders is not complete at this time.

Council Gives OK To Plan For By-Pass

Appomattox Town Council approved the "orange and green" plan for a by-pass of the town on Route 460 during Council meeting Monday evening. This is one of three proposals by the Va. Dept. of Highways being considered by the county planning commission, the Appomattox Board of Supervisors and Town Council prior to a general public hearing. The three maps are available to the public at the town manager's office.

The town has requested that Road 1009 north from the town (not now a usable, paved road) either "go over or under" the by-pass. This road would provide access to the National Historical Park, says the mayor and would definitely help move traffic to and from town.

The town has adopted the week of April 5-10 as "Clean-Up Week" on motion by Mrs. Calvin Robinson, vice-mayor. During this time town crews will help residents by picking up bulky trash, tree cuttings, etc. in an effort to beautify the area.

The Street and Light Committee met prior to full council meeting and approved the printing of traffic tickets with a change in penalties for over-parking and other traffic violations. The entire council approved the changes, effective immediately for a $2.00 fee for overtime parking in marked areas and a $3.00 fee for various other violations – parking across yellow lines, blocking a driveway, double parking, blocking a driveway, double parking, etc.

Council discussed possibilities for a modern communications system for police, firemen and town officials. Funds may eventually come from federal sources, said the mayor, H.B. Pack.

Mayor Pack announced that the official census (1970) of Appomattox residents is 1400 as compared with a figure of 1184 given each year for the past five years as official population figures.

Burke Guill, speaking for the Street Committee suggested that the town paint traffic lanes clearly on Lee-Grant Ave. at its intersection with South Church St. Town manager C. S. Booth said that the town crew would do this at its first opportunity.

Dog Confinement Will Begin April 15

On Friday morning Appomattox County supervisors, together with Va. Dept. of Highways personnel, reviewed with residents a number of requests for secondary highway additions and improvemeats.

Thirteen requests were heard for a total of 4.55 miles of new additions and 11.19 miles for improvements.

Supervisors gave their approval to the "orange and green" plan for a by-pass of the town of Appomattox on Route 460. This is one of three plans drawn up by the Va. Dept. of Highways. It involves probably, the removal of three existing places of business and 19 houses. Such approval by the board, Appomattox Town Council and the Appomattox County Planning Commission will be followed by a public hearing.

Supervisors approved the expenditure of $2,896 during the fiscal year beginning in July for this county's participation in services to be offered by the Cent. VA. Mental Health and Mental Retardation Services Board. A good-sized delegation of citizens and professional workers in education and medicine were on hand for a presentation by the secy.-treas. of the Mental Health Board, Richard Buesing, of Lynchburg.

The Services Board has hired a psychiatrist -director, Dr. Malcolm Bown (now in USS Army in Okinawa) who will begin work probably on April 1. Plans call for psychiatric social workers and a psychologist to make up a staff offering training for medical personnel and help for individuals who suffer from emotional or mental problems.
